"Since both my boys started at Street Mix their confidence has grown. It's such a friendly group and Len (Helen) is amazing!" Mum of 14 & 11 year olds.

"I can't speak highly enough about Street Mix! My daughter has truly thrived here, not only in her dance skills but also in her confidence and passion for performing. The coaches are incredibly talented and genuinely care about each student's growth and well-being. They create a fun, supportive, and encouraging environment that makes every class enjoyable. The choreography is always creative, and the performances are beautifully organised, showcasing each child's progress and hard work. It's heartwarming to see my daughter excited to attend every class, surrounded by friends who share her love for dance. I'm so grateful we found Street Mix it's more than just a dance school; it's a community. I highly recommend it to anyone looking for a positive and inspiring place for their child to learn and grow!" Mum of 11 year old.
